RETAIL SOLUTIONS

1

Brand your fuel station. Options include Chevron, Shell, 76 & more.

2

Unbranded supply agreements & bulk fuel delivered to you.

3

Car wash cleaning chemicals, system installs from large to small, parts, repair & maintenance.

4

NEXGEN DEF in a variety of sizes, including jug, drum, tote & bulk.

5

We provide conventional lubricants, bio-lubes & EALs. Plus dispensing system design & installs.

6

Leverage our CFN/PP networks to drive added traffic to your site.

MORE THAN OIL

Thousands of Oregon businesses have turned to Carson for not just bulk fuel, but also for fuel cards, lubricants, DEF, specialty pressure washers and so much more.

THE ADVANTAGE OF ONE PROVIDER

Choosing Carson as a single source provider means less “vendor juggling”, reduced paperwork, and one point of accountability. All of which add up to fewer headaches and more time to focus on your clients.

Whether you need us for one service or several, we’re your business partner working with you to solve business challenges. What can we do for you?
