

FLEET SOLUTIONS

1

NEXGEN DEF in a variety of sizes, including jug, drum, tote & bulk.

2

Clean Burn furnace runs on waste oil, lowering utility costs. We also carry portable shop heaters.

3

Carson lubricants keep equipment running at top performance. We offer EALs & bio-lubricants too!

4

Bulk fuel delivered to you on site. Storage tanks for purchase or lease.

5

Carson owns 25% of Oregon Cardlocks! Fuel up at both CFN & Pacific Pride.

6

Specialty pressure washers, steamers, cleaning chemicals & more.

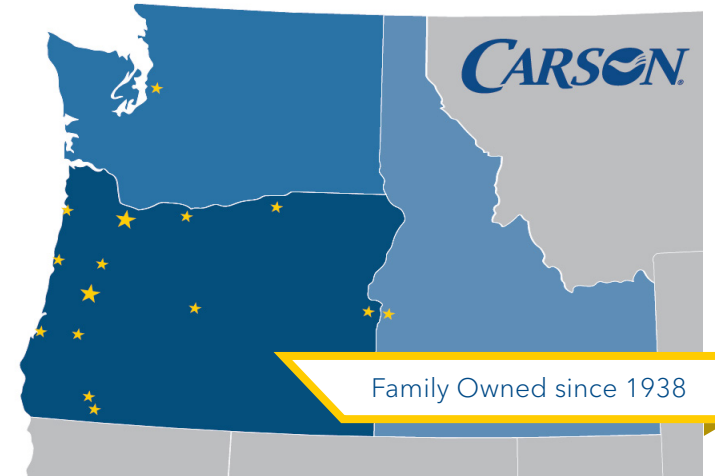

MORE THAN OIL

Thousands of Oregon businesses have turned to Carson for not just bulk fuel, but also for Cardlock, lubricants, DEF, specialty pressure washers and so much more.

THE ADVANTAGE OF ONE PROVIDER

Choosing Carson as a single source provider means less “vendor juggling”, reduced paperwork, and one point of accountability. All of which add up to fewer headaches and more time to focus on your customers.

Whether you need us for one service or several, we’re your business partner working with you to solve business challenges. What can we do for you?
