

Salt Lick

Road Salt Remover for
Pressure Washers

North America's #1 Name in
High-Pressure Cleaning Equipment

Specialty Detergent

Special Features:

Salt Lick is a combination detergent that removes heavy soil as well as damaging salt residue. This unique formula breaks down the crystalline structure of ice melt products and prevents it from crystalizing back on the surface so it can be easily rinsed away with the rest of the dirt. Works well on construction equipment as well as vehicles and boats.

Dilution Ratio

- Up to 100:1
