The Pressure Washer The Pros Use.
EST. 1970

NOTE: We are constantly improving and updating our products. Consequently, pictures, features & specifications in this brochure may differ slightly from current models. Flow rates & pressure ratings may vary due to variances allowed by manufacturers of our machine components. We meet the CETA testing specs for machine performance at +10% and in some cases are tighter within +5% of listed specifications.

Specifications & product descriptions subject to change without notice. Hotsy's manufacturing facilities have established and apply a quality and environmental management system to be ISO 9001:2008 and ISO 14001:2001 certified.

**HOTSY BLACK LABEL
BRINGS GREAT FEATURES
TO NORTH AMERICA'S MOST
DEPENDABLE PRESSURE
WASHERS**

With the new **797SS** – our first Black Label Edition machine – a whole new generation of tough, no-nonsense cleaning tech hits the farms, facilities, streets, work sites...wherever clean is a challenge. It is a perfect combination of power and maneuverability, making it the ideal cleaning machine. And with its new upgraded graphics, it looks distinctly classy. The **797SS** comes with lots of great features, including:

- **WEG 1725 RPM Motor** – slow speed motors lasts longer and come with a no-questions-asked warranty
- **Robust HM Series Hotsy Pump** with a non-prorated 7-year warranty
- **Front Bumper** for fuel tank protection
- **Auto Start/Stop** is standard and extends machine life
- **Beckett Burner** – industry preferred, with a long, reliable history
- **Axle location** along with ergonomic handle provide exceptional maneuverability
- Easy-to-use, **water-tight control panel** includes individual pump/burner rocker switches, hour meter and thermostat controls
- **Heater Coil** with Schedule 80 steel pipe comes with a non-prorated 5-year warranty

WHAT IS BLACK LABEL?

At Hotsy perfection isn't an end-point, it is something we strive for daily. We are always thinking of ways to improve our pressure washers. The Black Label edition 797SS is a prime example. We loaded it with features to move it to the top of the line. It boasts Auto Start/Stop, a robust HM Series pump, Beckett Burner, WEG slow speed motor and an hour meter. On top of that we've given the machine a distinctly classy look with black logos, essentially **we're giving you bad ass fully loaded!**

BLACK LABEL
EDITION

The 797SS gives you power and maneuverability for hot water pressure washing – on the farm, in processing facilities, and across municipalities.

And it looks great doing it!
